

VEHICLE RECALL SEARCH SERVICE IMPROVES PUBLIC SAFETY

www.vehiclerecallsearchservice.org

MORE THAN 1 BILLION VEHICLES CHECKED

Millions of VINs checked daily for open recalls to inform consumers about covered repairs that can be fixed free of charge.

BEFORE VRSS

63 MILLION
VEHICLES WITH OPEN RECALLS

TODAY

53 MILLION
VEHICLES WITH OPEN RECALLS

A NEARLY 20% DECREASE

The **Vehicle Recall Search Service (VRSS)** was developed jointly by **CARFAX** and the **Alliance for Automotive Innovation**, a trade association composed of manufacturers and value chain partners who together produce nearly 99% of all new cars and light trucks sold in the United States.

Government and private sector entities can play a significant role in increasing vehicle recall repairs. Contact us at AutoRecallSearch@carfax.com and join the effort to protect drivers by raising recall awareness. Check thousands of VINs at once for free at www.vehiclerecallsearchservice.org.
